**Opposing Viewpoint/Global Issues in Context**

Provides over 28,000 videos of news and television clips in a variety of popular subject areas.

**Harvard Faculty Seminar Series**

Provides access to videos from the Harvard Business School Faculty Seminar Series. Topics include organizational learning, leadership, business strategies, marketing, and management. Videos can be found by searching within Business Source Ultimate.

**Ambrose Video**

Ambrose Video provides 17 video titles which includes the following: History of Western Art- Volumes 1-6, Romeo and Juliet, Othello, Macbeth and the Complete History of U.S. Wars – 8 part series.

**Academic Video Online**

Academic Video Online delivers more than 68,000 titles spanning the widest range of subject areas including anthropology, business, counseling, film, health, history, music, and more. Academic Video Online includes documentaries, interviews, performances, news programs and newsreels, field recordings, commercials, and raw footage.

Users will find thousands of award-winning films, including Academy®, Emmy®, and Peabody® winners, along with the most frequently used films for classroom instruction, plus newly released films and previously unavailable archival material.

**Education in Video**

Education in Video content includes demonstrations, lectures, documentaries, and primary-source footage of students and teachers in actual classrooms. The collection also contains a wealth of ready-to-use teaching tools, including course, study, and discussion guides, assessment checklists, and themed playlists.

**Kanopy Streaming Videos**

Kanopy provides streaming video access to over 26,000 titles, including award-winning documentaries, training films and theatrical releases on every topic imaginable.

Want to use videos within your Canvas course page? It’s easy!

Once you open a video, copy the friendly URL/permalink provided. This link can either become a link in Canvas for student access or be used by students for an assignment. For more information, please see the online Streaming Videos Guide.
